

Rotisserie Clamp[®]

Description

The Rotisserie Clamp[®] provides an easy method of color-coded identification of rotisserie flavors, as well as a simple and effective manner in which to securely hold the legs of a chicken in a consistent position during cooking.

Features

Oven Safe

The Rotisserie Clamp[®] withstands oven temperatures up to 500°F, depending upon application.

Easy to Use

Simply slip the Rotisserie Clamp[®] over the hocks and the chicken is ready to cook.

Multiple Colors

To make flavor identification easy, the Rotisserie Clamp[®] is available in multiple colors.

 Red  Orange  Yellow  Green  Blue  Light Blue  White  Purple

Rotisserie Clamps are available in bulk form or individually packaged in bags of 12, 14 or 16.
